[#] Remarks:

- The 16% no claim discount is already reflected in the above-stated premiums. For details of no claim discount, please refer to the product brochure of "FlexiCare" Medical Insurance Plan.
- Premiums stated above are based on the first year premium or current applicable Renewal premium according to your current attained age (age on last birthday) but cannot be regarded as the actual premium payable in the future. Renewal premium will base on your attained age and the applicable premium table at the time of Renewal. Premiums are non-guaranteed. In order to provide you with continuous protection, we will review and adjust the premium of your plan from time to time and make adjustment at the end of every Policy Year if necessary. During the review, we may consider factors including but not limited to the following: i) claim costs incurred from all policies under this plan and the expected claim outgo in the future which reflects medical trends, medical cost inflation and the change in the product features revision; ii) historical investment returns and the future outlook of the product's backing asset; iii) policy surrenders and lapses and iv) expenses directly related to the policy and indirect expenses allocated to this product.
- The annual standard premium of this premium table (USD) does not include levy on insurance premiums collected by the Insurance Authority and for reference only. If the payment mode is not annual, please calculate the Standard Premium by using appropriate modal factor as below. Or please contact your financial consultant for premiums in monthly or semi-annual payment mode. For details of annual premium table in HK dollars, please browse FTLife website at www.ftlife.com.hk.

[#] Remarks:

- The 16% no claim discount is already reflected in the above-stated premiums. For details of no claim discount, please refer to the product brochure of "FlexiCare" Medical Insurance Plan.
- Premiums stated above are based on the first year premium or current applicable Renewal premium according to your current attained age (age on last birthday) but cannot be regarded as the actual premium payable in the future. Renewal premium will base on your attained age and the applicable premium table at the time of Renewal. Premiums are non-guaranteed. In order to provide you with continuous protection, we will review and adjust the premium of your plan from time to time and make adjustment at the end of every Policy Year if necessary. During the review, we may consider factors including but not limited to the following: i) claim costs incurred from all policies under this plan and the expected claim outgo in the future which reflects medical trends, medical cost inflation and the change in the product features revision; ii) historical investment returns and the future outlook of the product's backing asset; iii) policy surrenders and lapses and iv) expenses directly related to the policy and indirect expenses allocated to this product.
- The annual standard premium of this premium table (USD) does not include levy on insurance premiums collected by the Insurance Authority and for reference only. If the payment mode is not annual, please calculate the Standard Premium by using appropriate modal factor as below. Or please contact your financial consultant for premiums in monthly or semi-annual payment mode. For details of annual premium table in HK dollars, please browse FTLife website at www.ftlife.com.hk.
