# “TargetCare” Cancer Plan

The incidence of cancer rises significantly and the number of young adults diagnosed is increasing. Whenever this fearsome disease strikes, patients would hope for quality treatment to give them the best chance of recovery. However, most general medical insurance plans fall short of covering the cost of effective cancer treatment.

FTLife brings you the new “TargetCare” Cancer Plan to provide comprehensive lifetime cancer protection and additional cancer care benefit with affordable premiums. The plan’s top up benefit for Targeted Therapy provides additional benefit to lighten patients’ financial burden. Apart from reimbursing cancer treatments, “TargetCare” Cancer Plan further provides a lump sum “Extra Major Cancer Cash Benefit”<sup>1</sup> to support patients financially and help them cope with everyday expenses, as well as medical expenses. That way they can worry less about the treatments ahead.

## Product Features

- ✓ Up to a total benefit of HK\$3.8 million<sup>^</sup>
- ✓ Provides “Top Up Benefit for Targeted Therapy”<sup>3</sup> up to HK\$600,000 per Covered Cancer<sup>2</sup>

**Remarks:**

1. Please contact your consultant for premium in monthly or semi-annual payment mode.
2. For age 18 or above, non-smoker premium will be applicable if the Insured declared his/ her smoking status as non-smoker.

The product information in this document does not contain the full terms of the plan and the full terms can be found in the policy document.

This plan may be purchased as a standalone plan without bundling with other type(s) of insurance product. You are required to read the relevant product brochure, the policy provisions and the illustrations presented by your licensed insurance intermediary in order to fully understand the details of the definitions, charges, product features, exclusions, and conditions of payment of claims, etc. plus complete terms and conditions.

Remarks:

1. "Extra Major Cancer Cash Benefit" refers to a lump sum cash benefit as set out which will be paid after the insured has been diagnosed as suffering from a Major Cancer and will be payable once (1) only, provided that the insured survives for at least thirty (30) days from the date of diagnosis of the Major Cancer. Such benefit is applicable in "TargetCare" Cancer Advance Plan (please refer to the Benefit Schedule for details), and it is excluded from the Per Covered Cancer Limit and Lifetime Cancer Limit. Insured residing outside of Hong Kong may be subject to "Extra Major Cancer Cash Benefit" adjustment within the first 2 policy years. Please contact your consultant for details. For details of definition of Major Cancer, please refer to the policy provisions.
2. The Five-year Cancer-free Waiting Period must be met before applying another Per Covered Cancer Limit. The Five-year Cancer-free Waiting Period must be confirmed by the Medical Practitioner for the whole duration of the last sixty (60) months and supported by clinical, radiological, histological and laboratory evidence to confirm the cancer-free state. Cancer-free state means there is no sign or symptom of any malignant growth. The Five-year Cancer-free Waiting Period shall start on the date the disease is considered to be in remission, usually after completion of curative treatment, including but not limited to surgery, Chemotherapy and Radiotherapy. Measures to solely prevent recurrences or metastatic spread during the remission phase are not deemed curative treatment.  
For purposes of applying the Per Covered Cancer Limit, the Top Up Benefit for Targeted Therapy's maximum limit and the Additional Cancer Care Benefits' maximum limit, two (2) or more Covered Cancers suffered by the insured will be regarded as one and the same Covered Cancer (without any regard to each of the Covered Cancer's nature, character, extent, location, state or otherwise), and shall all be subject to the Per Covered Cancer Limit, the Top Up Benefit for Targeted Therapy's maximum limit and the Additional Cancer Care Benefits' maximum limit of the first diagnosed Covered Cancer, except where a subsequent Covered Cancer is diagnosed to be after the Five-year Cancer-free Waiting Period of the immediately preceding Covered Cancer.
3. "Top Up Benefit for Targeted Therapy" is excluded from the Per Covered Cancer Limit and it is only applicable after the total reimbursement amount of items (i) – (v) under "Reimbursement Benefits" in the Benefit Schedule reaches the Per Covered Cancer Limit. However, the top up benefit will be counted in the Lifetime Cancer Limit and the total reimbursement amount of items (i) – (vi) under "Reimbursement Benefits" in the Benefit Schedule cannot exceed the Lifetime Cancer Limit.
4. Covered Cancer refers to Cancer and Carcinoma-in-situ. For details of definitions of Cancer and Carcinoma-in-situ, please refer to the policy provisions.
5. "Additional Cancer Care Benefit" is calculated based on per Covered Cancer, and it is excluded from Per Covered Cancer Limit and Lifetime Cancer Limit. Both "Medical Consultation Benefit" and "Medical Appliances Benefit" will be offered on an actual reimbursement basis.
6. Lifetime Cancer Limit has no restriction on number of cancer claim, but the reimbursement per Covered Cancer cannot exceed the Per Covered Cancer Limit.
7. This benefit will be offered on actual reimbursement basis, the total reimbursements cannot exceed the Per Covered Cancer Limit and Lifetime Cancer Limit.
8. If the insured commits suicide, whilst sane or insane, within one (1) year from the Policy Effective Date, our liability under this plan will be limited to the refund of the amount of premiums paid less any indebtedness and claims which have been paid by us.
9. For the reimbursement of "Diagnostic Benefit", "Cancer Treatment Benefit", "Hospitalization Benefit", "Reconstructive Surgery Benefit", "Monitoring Benefit", "Top Up Benefit for Targeted Therapy" and "Additional Cancer Care Benefit" (excluding "Daily Hospital Cash Benefit"), we will reimburse the reasonable and customary medical treatment charges of the actual incurred charges.
10. The "Reimbursement Benefits" reimburses the reasonable and customary medical treatment charges of the related charges for confinement in Semi-Private room or class (es) below. If the insured is confined in a room of the class above Semi-Private Room on any days of a confinement, we will reduce the benefit payable under "Reimbursement Benefits" during the period of confinement by 50% to the amount of benefits payable.
11. If a compensation or benefit is paid or payable for any Covered Cancer under any law or another medical coverage or through any other means, we will only pay any incurred fee or charge applicable to such Covered Cancer is not covered or reimbursed by such laws or other medical coverages or other means. We reserve our right under any claim to apply such compensation or benefit to adjust any such fee or charge claimed in a manner we may consider appropriate.
12. If any actual charge was incurred in the United States of America, then the maximum reimbursement amount of the "Reimbursement Benefits" for any one Covered Cancer under all "TargetCare" Cancer Plan (Basic Plan and Rider) covering the insured and issued by us will be HK\$2,000,000/US\$250,000. The prevailing exchange rate of the reimbursement amount in US Dollar will be determined by us from time to time with reference to market rates (if applicable).
13. We reserve the right to adjust the benefits payable and/or any clauses/conditions under this plan. We shall notify you in writing at least thirty (30) days before the Policy Anniversary about the revised premium rates, benefits, clauses/conditions (if applicable) and their effective date(s).
14. For any confinement which is covered under Hospitalization Benefit, an extra Daily Hospital Cash Benefit is payable for each day of confinement of the insured. This benefit is restricted to one (1) payment of daily hospital cash per day (i.e. either "Daily Hospital Cash Benefit" or "Daily Hospital Cash Benefit for ICU"), and it is up to fifteen (15) days per Covered Cancer for each benefit.

For details of above remarks, please refer to the policy provisions at the same time.

## PRE-EXISTING CONDITIONS

We will not pay any Cancer Benefit under this Plan arising directly or indirectly from a Pre-existing Condition (as specified hereinafter) if such condition was not fully disclosed in the Application.

A Pre-existing Condition is the existence of:

1. a condition of the Insured for which medical advice, diagnosis, care or treatment was recommended or received before the Plan Effective Date or the date of any reinstatement (whichever is later); or

  - (vi) mental disorder, psychological or psychiatric conditions, behavioural problems or personality disorder, except specifically covered under Medical Consultation Benefit; or

- (vii) any treatment, diagnostic investigation, medical services or supplies which are not Medically Necessary or any charges which exceed the Reasonable and Customary Medical Treatment Charges; or
- (viii) any non-medical services including all reusable items but not limited to guest meals, radio, telephone, photocopy, taxes, personal items, medical report charges, wheelchairs, walking aids, braces, aspirators of any kind, haemodialysis machine and so forth, except specifically covered under Medical Appliances Benefit; or
- (ix) any experimental, unproven or unconventional medical technology / procedure / therapy or novel drugs / medicines / stem cell therapy not yet approved by the government, relevant authorities and/or recognized medical association of the country or region where the treatment is sought; or
- (x) over-the-counter medication and nutrient supplement not prescribed by a Medical Practitioner, and any of the following traditional Chinese medicines: (i) agaricus blazei murill, (ii) antelope horn powder, (iii) antler, (iv) cordyceps, (v) cubilose, (vi) donkey-hide gelatin, (vii) ganoderma, (viii) all kinds of ginseng, (ix) hippocampus, (x) moschus, (xi) pearl powder and (xii) placenta hominis, and any other Chinese herbs and/or tonic medicine as determined by the Company in its absolute discretion from time to time; or
- (xi) organ transplant unless specified in the Surgical Treatment of Cancer; transplant service for which the cost incurred in connection with identifying service and procuring a replacement organ or any costs incurred for removal of the organ from the donor, all associated transportation costs and administrative costs; donation of organ.

## Disclosure of Important Information

### 1. Cooling Off Right

If you wish to exercise your cooling-off right, you can cancel the policy and obtain a refund of premium and levy paid by giving a written notice to us. Such notice must be signed by you and submitted to our office at 7/F, NEO, 123 Hoi Bun Road, Kwun Tong, Kowloon within 21 calendar days immediately following the day of delivery of the policy or the Cooling-off Notice to you or your nominated representative (whichever is the earlier). The Cooling-off Notice should inform you of the availability of the policy and expiry date of the cooling-off period.

### 2. Key Product Risks

#### i. Premium Adjustment

We will adjust premiums yearly according to the attained age of the insured and/or the prevailing benefit schedule and at a rate\* to be determined by us at the time of renewal.

\*Rate(s) are determined based on factors including but not limited to the actual experience of claims, interest rate, persistency and expense.

We will notify you in writing at least thirty (30) days before the policy renewal the revised premium amount. If you disagree and notify us in writing to terminate this Plan in which case this Plan shall automatically terminate on the next premium due date as specified in our notice.

#### ii. Product Features Revision

We reserve the right to revise the benefit structure, terms and conditions and / or product features. We will issue a written notice to inform you if there is any revision in advance upon policy renewal or before end of a policy year.

#### iii. Non-payment of Premium

If there is any non-payment of premiums on or before the end of the grace period of thirty one (31) days from its due date, the policy will automatically be terminated and you will lose your life protection under the policy.

#### iv. Termination

We have the right to terminate the plan before the end of the protection period under the following circumstances:

- (1) Non-payment of premiums on or before the end of the grace period of thirty one (31) days from its due date; or
- (2) the aggregate amount of "Reimbursement Benefits" paid or payable under this plan reaches the Lifetime Cancer Limit<sup>6</sup>; or
- (3) the aggregate amount of "Reimbursement Benefits" paid or payable under all "TargetCare" Cancer Plan (Basic Plan and Rider) covering the insured reaches HKD11,000,000/US\$1,375,000.

Subject to the terms and conditions of this plan and provided this plan continues to be made available by us for renewal, we will renew this plan for one (1) policy year (without further evidence of insurability from the insured) on each policy anniversary on the condition you pay premium at the prevailing premium rate at the time of the plan's renewal.

The key items of policy termination are listed above. Please refer to the policy provisions for the full list of policy termination.

#### v. Inflation Risk

When you review the living benefits shown in the benefit illustrations, please note that the cost of living in the future is likely to be higher than it is today due to inflation. In that case you will receive not enough to cover in real terms even if we meet all of our contractual obligations under the policy.

#### vi. Other Key Product Risks

- "TargetCare" Cancer Plan is issued in HK dollar or US dollar. Premiums shall be paid in HK dollars or in policy currency only. You can specify the policy currency at the time of application. Policy currency cannot be altered once the policy has been issued.
- The premiums received by us in a currency different from your policy currency will be converted to the policy currency at the prevailing exchange rate determined by us from time to time with reference to market rates. All monies payable under your Policy will be paid in Hong Kong dollars, or in the policy currency upon your request. The amount payable by us in a currency different from your policy currency will be converted at the prevailing exchange rate determined by us from time to time with reference to market rates. Therefore it may be subject to foreign exchange risks in the process of currency conversion.
- "TargetCare" Cancer Plan is an insurance policy issued by us. The insurance benefits are subject to the company's credit risks.

### 3. Eligible "Medically Necessary" Claims

Claims for illnesses covered by the Plan must comply with the principle of "Medically Necessary".

"Medically Necessary"

It refers to medical services, medical treatment and Hospital confinement which are necessary for the care or treatment of a Covered Cancer involved and must be widely accepted professionally in Hong Kong as effective, appropriate and essential based upon recognized standards of the health care specialty involved. The Company reserves the right to adjust the relevant claims based on the above principle. For more details of the "Medically Necessary" principle, please refer to the Policy Provisions.

### 4. Claim Procedure

You must notify us in writing within 20 days of the date of the incurred expenses or the date of Unequivocal Diagnosis of a Major Cancer or death of the Insured, and send us the appropriate forms and relevant proof within 90 days if you wish to make a claim. You can get the appropriate claim forms from your financial consultant or call the FTLife customer service hotline on 2866 8898.

The information in this document is intended as a general summary for your reference only and does not constitute financial, investment or taxation advice or advice of whatsoever kind. You are recommended to seek professional advice from your independent advisors if you find it necessary. Please refer to the policy provision for the full terms and conditions
