- The premiums received by us in a currency different from your policy currency will be converted to the policy currency at the prevailing exchange rate determined by us from time to time with reference to market rates. All monies payable under your policy will be paid in HK dollars, or in the policy currency upon your request. The amount payable by us in a currency different from your policy currency will be converted at the prevailing exchange rate determined by us from time to time with reference to market rates. Therefore it may be subject to foreign exchange risks in the process of currency conversion.
- These "Be With You" Personal Accident Plans are insurance policies issued by us. The insurance benefits are subject to the company's credit risks.

5. Suicide Clause

For this Plan, if the insured commits suicide, whilst sane or insane, within one year from (i) the plan effective date (including the plan effective date); or (ii) the last reinstatement date (if applicable), whichever is later, and whilst this Plan is in force, our liability under this Plan shall be limited to the aggregate of (i) the refund of the total amount of premiums of the Plan and the premiums of all riders of this Plan (if applicable) paid since (a) the policy date; or (b) the last reinstatement date (if applicable), whichever is later; and (ii) less any claim which have been paid by us under this Plan and any rider of this Plan (if applicable) since the policy date or the last reinstatement date, as the case may be.

For this Plan, if the insured commits suicide, while sane or insane, within one year from the effective date of any increase in sum insured (if applicable) or any subsequent addition of plan (if applicable) and whilst this Plan is in force, our liability in respect of that increase of sum insured or addition of plan (as the case may be) shall be limited to refunding the aggregate of the corresponding increment of premium paid under this Plan and any rider of this Plan (if applicable) and less any claim which have been paid by us in respect of the relevant increase of sum insured or addition of plan (as the case may be) under this Plan and any rider of this Plan (if applicable).

Any amount that may be paid by us under this suicide provision is regarded as death proceeds.

6. Premium Adjustment and Product Features Revision

i. Premium Adjustment

In order to provide you with continuous protection, we will review and adjust the premium rate of the Plan from time to time and make adjustment at least 30 days before policy anniversary in written notice regarding the premium rate if necessary. During the review, we may consider factors including but not limited to the following:

- claim costs incurred from all policies under this plan and the expected claim outgo in the future which reflects medical trends, medical cost inflation and the change in the product features revision
- historical investment returns and the future outlook of the product's backing asset
- policy surrenders and lapses
- expenses directly related to the policy and indirect expenses allocated to this product

ii. Product Features Revision

We reserve the right to revise the benefits and/or any restrictions/limitations of the Plan by giving at least 30 days notice in writing to you before any policy anniversary.

The revised premium, benefits and/or restrictions/limitations will take effect automatically on the next policy anniversary unless you notify us in a Written Request to cancel the Plan within 30 days after such revision takes effect. In the case where a payment of the revised premium is made to us before we receive your notice of cancellation, we shall refund to you such premium without interest.

7. Eligible Medical Benefit Expenses

Claims of eligible medical benefit expenses must comply with the principles of "Reasonable and Customary" and "Medically Necessary".

"Reasonable and Customary"

In relation to admitted claims describing a medical service which is rendered in accordance with standards of good medical practice including but not limited to the approach of the treatment taken, the length of the confinement, the diagnostic and/or surgical procedures rendered; and the professional and hospital and clinical charges presented must not exceed the usual charges at the location where such service is rendered.

"Medically Necessary"

Means necessary and suitable, which are generally accepted by the medical profession in Hong Kong as effective, appropriate and essential based upon recognized standards of the health care specialty involved; and which are not of an experimental, preventive, screening or investigative nature; where the Insured's Illness or Injury could not safely and adequately be confinement, treatment, procedure, supplies or other medical services while not being confined or without surgery.

8. In-patient or Confinement

Residence (considered as Medically Necessary) in a hospital as an in-patient and staying within the boundaries of the hospital for at least 6 consecutive hours per day upon the recommendation of a medical practitioner and under the care and attention of a medical practitioner. All confinements resulting from or contributed to by the same or related cause or causes shall be regarded as one confinement unless they are separated by more than 90 days during which there has been no medical treatment for the injury or illness which is declared as a Public Health Emergency of International Concern causing the previous confinement.

9. Change of Occupation

If the insured changes his occupation or job duties or is engaged in an additional occupation, the insured should inform us in writing accordingly within 1 month from the date of such change(s) for our company's underwriting assessment. Please refer to the policy provision for details.

Insurance Policy Product Brochure Addendum -

I. Foreign Account Tax Compliance Act

Under the U.S. Foreign Account Tax Compliance Act ("FATCA"), a foreign financial institution ("FFI") is required to report to the U.S. Internal Revenue Service ("IRS") certain information on U.S. persons that hold accounts with that FFI outside the U.S. and to obtain their consent to the FFI passing that information to the IRS. An FFI which does not sign or agree to comply with the requirements of an agreement with the IRS ("FFI Agreement") in respect of FATCA and/or who is not otherwise exempt from doing so (referred to as a "nonparticipating FFI") will face a 30% withholding tax ("FATCA Withholding Tax") on all "withholdable payments" (as defined under FATCA) derived from U.S. sources (initially including dividends, interest and certain derivative payments).

The U.S. and Hong Kong have agreed an inter-governmental agreement ("IGA") to facilitate compliance by FFIs in Hong Kong with FATCA and which creates a framework for Hong Kong FFIs to rely on streamlined due diligence procedures to (i) identify U.S. indicia, (ii) seek consent for disclosure from its U.S. policyholders and (iii) report relevant tax information of those policyholders to the IRS.

FATCA applies to FTLife Insurance Company Limited (the "Company") and this Policy. The Company is a participating FFI. The Company is committed to complying with FATCA. To do so, the Company requires you to:

- (i) provide to the Company certain information including, as applicable, your U.S. identification details (e.g. name, address, the US federal taxpayer identifying numbers, etc.); and
- (ii) consent to the Company reporting this information and your account information (such as account balances, interest and dividend income and withdrawals) to the IRS.

If you fail to comply with these obligations (being a "Non-Compliant Accountholder"), the Company is required to report "aggregate information" of account balances, payment amounts and number of non-consenting US accounts to IRS.

The Company could, in certain circumstances, be required to impose FATCA Withholding Tax on payments made to, or which it makes from, your policy. Currently the only circumstances in which the Company may be required to do so are:

- (i) if the Inland Revenue Department of Hong Kong fails to exchange information with the IRS under IGA (and the relevant tax information exchange agreement between Hong Kong and the U.S.), in which case the Company may be required to deduct and withhold FATCA Withholding Tax on withholdable payments made to your policy and remit this to the IRS; and
- (ii) if you are (or any other account holder is) a nonparticipating FFI, in which case the Company may be required to deduct and withhold FATCA Withholding Tax on withholdable payments made to your policy and remit this to the IRS.

You should seek independent professional advice on the impact FATCA may have on you or your policy.

II. Common Reporting Standard

Hong Kong has put in place a framework implementing the Automatic Exchange of Financial Account Information ("AEOI") which allows for the exchange of financial information among tax authorities. The Company, as a reporting financial institution under the law, is required to collect and provide certain information of policyholders and beneficiaries to the Inland Revenue Department of the Hong Kong Special Administrative Region which exchanges such information with tax authorities of another jurisdiction or jurisdictions which has/have signed an AEOI agreement with Hong Kong and of which the policyholders and beneficiaries may be resident for tax purposes. Where a policyholder or beneficiary fails to provide any requested information, the Company reserves the right to take any action as it deems necessary in order for it to comply with the law.
