FTLife wins three awards at 2020 BENCHMARK Wealth Management Awards

Hong Kong – FTLife Insurance Company Limited (“FTLife”) is pleased to announce that it won three awards at the 2020 BENCHMARK Wealth Management Awards, in recognition of its excellence in product innovation, medical insurance and intermediary support. The awards received by FTLife include:

- “Intermediary Support - Best-in-Class”
- “Whole Life Insurance - Best-in-Class”
- “Voluntary Health Insurance Scheme - Outstanding Achiever”

Holding fast to its brand promise of “Embrace Change for Better Future,” the FTLife partnership distribution team seeks to deliver the best possible support to our partners. The success of their continuing effort and commitment in giving partners robust support won the team the “Intermediary Support - Best-in-Class” Award for the fourth consecutive year.

FTLife’s On Your Mind Insurance Plan won the title “Whole Life Insurance - Best-in-Class.” Customers nowadays are looking for more flexible and diversified products. Making a breakthrough in traditional life insurance, On Your Mind plugs the demand gap by catering for customer needs with flexibility in different life stages. Clients are impressed by the built-in Policy Reverse Mortgage Function which allows them to withdraw their death benefit as an annuity to support their retirement needs.

FTLife also garnered the “Voluntary Health Insurance Scheme - Outstanding Achiever” award with its “TopCare” Medical Insurance Plan, an endorsement to its long-term dedication to providing clients with comprehensive health and medical protection. The plan combines the basic protection of VHIS with multiple additional benefits for total peace of mind. Clients can also choose to upgrade their medical insurance flexibly so as to best suit their needs. With such features as its major medical benefit reimbursement percentage up to 100% upon fulfilment of designated conditions and no renewal premium increase after age 70, the plan drew praise from the market.

FTLife is honoured to receive these prestigious awards which represent a public endorsement of the company’s commitment to excellence in product development and professional services. The company will continue to focus on providing customers with innovative solutions and unrivalled experience.
