FTLife offers free protection to power you up against the pandemic

**After successful application of free Personal Accident Insurance Plan
Get additional free "Coverage on Vaccination Side Effect" and "Hospital Cash
Benefit for COVID-19 Vaccination"**

Hong Kong – During such a challenging time of the COVID-19, FTLife Insurance Company Limited ("FTLife") actively seeks out different solutions to support the community in fighting the epidemic. The company announces today that multiple free protection¹ will be provided to the public. Those who successfully apply for FTLife's "Explorer" Free Personal Accident Insurance Plan through scanning the exclusive QR code on the screen of New World Mask Vending Machines will get free additional "Hospital Cash Benefit for COVID-19 Vaccination" and free additional "Coverage on Vaccination Side Effect".

From now until 30 June 2022, while purchasing the high-quality made-in-Hong-Kong face masks at 24 New World Mask vending machines² around Hong Kong, you can scan the FTLife QR code on the screen and leave your contact details. FTLife's dedicated staff will contact you to follow up on the application of the "Explorer" Free Personal Accident Insurance Plan³. Upon successful application, simply download and log into the "Reach FTLife" App, and you will get extra free "Hospital Cash Benefit for COVID-19 Vaccination"⁴ and "Coverage on Vaccination Side Effect"⁵, including pre-hospitalization outpatient cash, hospital cash and a death benefit of up to HKD200,000.

FTLife Chief Executive Officer Joe Cheng said, "New World Group is committed to creating shared value and driving sustainable growth of our business and society. As a member of New World Group, FTLife cares and dares to innovate, proactively creating synergies with diverse business units in the Group to enhance health protection for customers and the public. We strive to provide comprehensive protection to support the community in fighting against the virus."
