“BetterCare” Medical Insurance Plan

VHIS Certified Flexi Plan

(VHIS Plan Certification Number: F00021-01-000-02 / F00021-02-000-02 / F00021-03-000-02 / F00021-04-000-02 / F00021-05-000-02 / F00021-06-000-02)

Your future health depends on what you do today. It would be crucial to safeguard yourself with a comprehensive medical protection plan against medical inflation, short supply of public healthcare services, and insufficient medical protection after retirement or between job changes. In response to the **Voluntary Health Insurance Scheme** (“VHIS”) launched by the Government, FTLife has become the first batch of registered VHIS provider (Company registration number: 00028). We are proud to launch the **“BetterCare” Medical Insurance Plan** (“the plan”) which is a **flexi-plan** certified by the Government under VHIS. It combines the advantages of VHIS with many additional benefits for coverage of you and your family. The **additional major medical benefit** protects you from unexpected medical expenses. It also guarantees renewal until age 100 giving you and your loved ones a peace of mind in the future.

Advantages of VHIS

Covering unknown pre-existing conditions

All-round cancer treatment protection

Tax deduction¹

Guaranteed renewal up to age 100

No lifetime benefit limit and deductible²

Additional Advantages

Major medical benefit

No claim discount

Enhanced coverage of outpatient care before/after surgery or confinement³

Compassionate death benefit and additional death benefit for organ donor⁴

All-round Coverage for Medical Expenses

- Coverage of various expenses of hospitalisation such as **operating theatre charges, room and board, miscellaneous charges and attending doctor's visit fee.**
- Protection for **outpatient care before confinement or day case procedure³, treatments and care³ after discharge from hospital and day case procedure**, including home nursing, etc.
- **Major medical benefit** to provide an extra 80% additional benefit[#] for expenses that exceed the maximum limit of basic benefit
- In the unfortunate event of the insured person's death, **compassionate death benefit** and **additional death benefit for organ donor⁴** will be paid.

[#] Major medical benefit is subject to 20% coinsurance and maximum reimbursement of different benefit level. Please refer to the benefit schedule of different benefit levels for details.

No Lifetime Benefit Limit and Deductible²

This plan provides three different benefit levels without lifetime benefit limit and deductible². The **annual benefit limit ranges from HKD 500,000 to HKD 700,000*** (according to your choice of benefit level). You can choose the most suitable medical protection level to meet your personal needs and prepare the best possible medical solution for you and your loved ones.

* Major medical benefit is an additional benefit and not included in the annual benefit limit. Please contact your financial consultant for the details of benefit limit in US dollars.

Guaranteed Renewal up to Age 100

Individuals aged between 15 days and age 80 are eligible to apply for this plan. Moreover, regardless of your health conditions in the future, the plan **guarantees renewal until age 100. Renewal premium will not be increased according to insured person's age after attaining age 70** which commits to provide a lifelong medical protection.

All-round Cancer Treatment Protection

Many suffers from cancer without preparation especially at a much younger age and their lives undergo unprecedented changes. In addition to the **coverage for surgical cancer treatments**, the plan also covers **expenses for non-surgical cancer treatments during confinement or at outpatient centres**, including radiotherapy, chemotherapy, targeted therapy, immunotherapy and hormonal therapy. We believe getting appropriate treatments will lead to better chances of recovery.

Covering Prescribed Diagnostic Imaging Tests

The plan offers coverage to the insured person for expenses of prescribed diagnostic imaging test incurred during confinement or at outpatient centres, including computed tomography ("CT" scan), magnetic resonance imaging ("MRI" scan), positron emission tomography ("PET" scan), etc.

Major Medical Benefit

Worrying about excess expenses that exceed benefit limits while getting medical treatments could be a huge burden for the patients. The plan provides **major medical benefit** (20% coinsurance) which is **additional benefit beyond the basic benefit for each policy year** and not included in the annual benefit limit. It helps you recuperate from illness with greater ease and peace. Please refer to the Benefit Schedule for details about the major medical benefit of respective benefit levels.

Covering Unknown Pre-existing Conditions

To give you an extra peace of mind, the plan covers unknown pre-existing conditions of which you were not aware and would not reasonably have been aware at the time of application. For details of waiting period and benefit amount, please refer to the policy terms and benefits.

The coverage also extends to congenital conditions which have manifested or been diagnosed after the insured person has attained age 8 or after. For details of pre-existing conditions, please refer to "Important Note" - "Pre-existing Conditions" section.

Tax Deduction for Extra Financial Ease

If you¹ or your family members⁵ enrol in the plan, the eligible premiums paid⁶ for the plan will be allowed for tax deduction each year. The **ceiling for annual deduction per insured person is HKD 8,000**, and there is **no cap on the number of family members⁵** that are eligible for tax deduction. You can, therefore, prepare the suitable medical protection for your loved ones with more affordable premiums through tax deduction.

Example 1:

The Insured Person	Annual Premium (HKD)	Premium Allowance for Tax Deduction (HKD)
Yourself	10,000	8,000
Wife	8,000	8,000
Son	3,000	3,000
Daughter	2,000	2,000
Total	23,000	21,000

Actual Tax Deduction Amount:

= HKD 21,000 x Marginal Tax Rate 17%* = **HKD 3,570**

Example 2:

The Insured Person	Annual Premium (HKD)	Premium Allowance for Tax Deduction (HKD)
Yourself	9,000	8,000
Wife	8,000	8,000
Son	10,000	8,000
Daughter	10,000	8,000
Total	37,000	32,000

Actual Tax Deduction Amount:

= HKD 32,000 x Marginal Tax Rate 17%* = **HKD 5,440**

* The above examples assume that the net taxable income reaches the designated level, and the actual tax deduction amount is calculated by applying the highest tax rate of 17%.

Upfront No-Claim Discount for Successful Applications

We offer no-claim discount to encourage you a healthy lifestyle. Unlike similar plans in the market, the plan provides an **annual premium discount up to maximum 16%[#]** immediately following successful new application until the first claim is made. Then an 8% discount is provided in the policy year following a claim, while a 0% discount applies to the policy years thereafter. If no claim is made for three consecutive policy years, the rate of no-claim discount will revert to 16%.

Example of no-claim discount

(Examples show how a claim would affect no-claim discount and assumes no claim is made for three consecutive years after such claim):

No-claim period	No-claim discount rate
After successful application and policy years thereafter until first claim is made	16%
1 st policy year after a claim	8%
2 nd policy year after a claim	0%
3 rd policy year after a claim	0%
4 th policy year after a claim and beyond until another claim is made	16%

[#] Medical services performed during day case procedure will **NOT** affect the no-claim discount.

Compassionate Death Benefit as Extra Care to Your Loved Ones

In the unfortunate event of the insured person's death, a maximum of HKD 30,000 as compassionate death benefit will be paid to the beneficiary. If, after the insured person's death, a major organ of the insured person is donated and transplanted legally, an additional compensation up to HKD 30,000⁴ will be paid.

2. Key Product Risks

If there is any non-payment of premiums on or before the end of the grace period of thirty-one (31) days from its due date, the plan will automatically be terminated, and you will lose your protection under the plan.
- ii. Policy Termination
We have the right to terminate the policy before the policy's maturity date if any premium remains in default at the end of the grace period.
Subject to the terms and benefits of this plan, we will guarantee to renew this plan for one (1) Policy Year (without further evidence of insurability from the Insured Person) on each policy anniversary on the condition you pay the premium at the prevailing premium rate at the time of the plan's Renewal.
