HPV “9-in-1” Vaccine (3-dose)

Human papillomavirus (HPV) is a common infectious disease. High-risk HPV infections may result in cancer, whereas low-risk HPV infections may cause genital warts. With no treatment or cure at the moment, HPV can only be prevented, thus it is better to get vaccinated earlier.

The above information & relevant services are provided and managed by partnered medical doctors.

Source of Information: Website of Department of Health (as of August 2017) and the service provider

Terms & Conditions for Free Health Services:

- To enjoy the Free Health Services (“Services”), customer must submit the application(s) of any plan (must include at least one designated health protection plans*) with designated total annualized first year premium during the period of 1 October 2018 till 31 December 2018 (“Promotion Period”) and such application(s) must be approved by FTLife Insurance Company Limited (“FTLife”) on or before 31 January 2019 (applicable to any plans except designated health protection plans*); while the last approval date for designated health protection plans* is 28 February 2019.
- The total annualized first-year premium is calculated based on 1) the total premium amount of basic plan(s) and rider(s) (if any), or 2) 10% of the single premium of all eligible plan(s) under the same policyowner during the promotion period. Premium levy, prepaid premium (if applicable), loading premium (if applicable) or cancelled policies within the cooling off period is not entitled to the services.
- All rider(s) included in the designated health plan* must be attached to basic plan(s) applied within the Promotion Period, otherwise, it will not be calculated.
- The services is offered in the unit of each policyowner. Each policyowner can enjoy a maximum of one offer under the designated total annualized first-year premium.
- All eligible policies must be in force at the time when the services is given out.
- If, for any reason, the policy has not been issued or has been cancelled, FTLife will refund the balance of the actual premium paid after deducting the reference price of the services redeemed. All eligible policies must be in force at the time when the reward is redeemed.
- The services is limited and is available on first-come, first-served basis (Counting from the first date that FTLife receive relevant reward selection form).
- The customer will receive a relevant reward selection form from the financial consultant. Please submit the form within a designated date after the submission of the policy application. Otherwise, FTLife will decide which services to give out at its own sole discretion. No change can be made once the services is chosen, even though the total annualized first-year premium is higher after the choice is made.
- FTLife will issue a confirmation letter to eligible policyowners within 1 month after the end of the approval period. The services specified in the confirmation letter is only applicable to the relevant policyowner or insured (if the policyowner and the insured are not the same person) and is not transferable. Please make appointment and redeem the services before the deadline stated on the confirmation letter. Each confirmation letter can only be redeemed for 1 service. If the confirmation letter is damaged, lost in post or lost, it will not be re-issued.
- If any or all of the services is/are out of stock or not available for any reason, an alternative services out of the 4 free health services will be granted according to the customers' priority.
- All services are not transferable, and not convertible to cash or other medical service.
- Once the confirmation letter is issued, FTLife shall not be liable or responsible for all matters related to the services (including but not limited to the quality, applicability, supply or service). All disputes arising from the rewards should be resolved by the customer and the relevant service provider.
- The prices of the services are provided by the service provider for reference only. The actual prices are determined by the service provider.
- The customer should understand or seek the advice of professional medical doctors and consider their own needs and physical conditions before receiving the vaccination.
- FTLife reserves the right to make all final decisions on the approval of the relevant policy application(s) and the Promotion.
- FTLife reserves all the rights to suspend or terminate the offer or amend the terms and conditions of the offer at any time without prior notice.
- No person other than the customer and FTLife will have any right under the Contracts (Rights of Third Parties) Ordinance to enforce or enjoy the benefit of any of the provisions of these terms and conditions.

FREE services are limited and is available on first-come, first-served basis.

Please contact your financial consultant or FTLife Customer Hotline at 28668898 for any enquiry.
