**IMPORTANT:**

- The Fund invests in certain emerging markets that may be subject to additional risks arising from political, economic and market factors. The Fund's investments in equities could incur significant losses due to fluctuation of equity values. The Fund's investments are concentrated in China. This may result in greater volatility than more broad-based investments. Additional risks relate to liquidity and the repatriation of capital for investment in equity securities in China. The Fund invests in small-cap company shares which can be more volatile and less liquid than those of larger companies.
- The Fund may use derivatives to hedge market and currency risk and for efficient portfolio management. However, derivatives will not be extensively or primarily used for investment purposes. In an adverse situation, the Fund may suffer significant losses from their derivatives usage for hedging and efficient portfolio management.
- The value of a Fund can be volatile and could go down substantially within a short period of time. It is possible that the certain amount of your investment could be lost.
- Investors should not only base on this marketing material alone to make investment decision.

**INVESTMENT OBJECTIVE**
