Prior to 1 March 2018 the Fund was managed by Alastair Bishop. The Fund changed its investment policy and objective in 2017. Prior to this performance of the Fund was achieved under circumstances that no longer apply. Prior to 1 April 2017 the Fund was managed by Poppy Allonby and Alastair Bishop. Prior to 31 December 2015 the Fund was managed by Robin Batchelor and Poppy Allonby. On 30 September 2015, the performance benchmark of the Fund changed from MSCI World Energy Index to MSCI World Energy 10/40 Net Total Return Index. The rationale for the change is that the new benchmark reflects the UCITS concentration limits to which the Fund's portfolio is managed and is therefore a more accurate, appropriate and fair comparison for the Fund. The new benchmark has been applied to the performance history of the Fund back to inception. The change does not affect how the Fund is currently managed.
